ORAL JUDGEMENT

1. The petitioner herein has preferred this petition

in order to direct the respondent Board to restore the power supply of the petitioner by accepting 25 per cent of the total outstanding amount initially and to grant suitable installments for paying the outstanding amount.

2. I have heard learned counsel for the parties. Having gone through the averments made in the petition, I am of the opinion that the prayer of the petitioner deserves consideration. Hence, the respondent Board is directed to grant six installments to the petitioner for the payment of the outstanding dues in respect of the supplementary bill and delay payment charges. If any default is committed by the petitioner in making the payment, it will be open for the respondent Board to disconnect the power connection of the petitioner without any further orders of this Court. Apart from the above, the petitioner shall pay the monthly consumption bill regularly.

3. With the above directions, the petition stands disposed of. Notice discharged with no order as to costs.
